About Pegasus:

Pegasus was founded in Vienna in 1980 as an inbound and outbound Tour Operator.

Ten years later, the business segments were separated and Pegasus Incoming soon grew to be one of the leading destination management companies in Central and Eastern Europe, with its head office in Austria and additional offices in Prague and Budapest.

Today, Pegasus – The Welcoming Agencies is owned and managed in a joint partnership by Renate Forte and COLUMBUS Travel Agency, Austria's largest family-run tourism enterprise owned by the Dr. Richard family.

Even so, the long-standing commitment of Pegasus to its business partners as well as its flexible approach to the different market needs have remained unchanged.

Dear Business Partners,

I started my involvement in the tourism business more than 30 years ago as a tour guide, taking Austrian tourists to various European countries during my university years before I opened my own business: Pegasus Incoming.

My multinational team and I (together we speak 12 different languages!) are at your disposal to handle all your travel and meeting-related requests. We offer the full range of services for individual clients, leisure groups, special interest groups as well as incentive programs and convention services.

Enclosed you will find an overview of our many unique products. Please do not hesitate to contact us with any specific request or for additional information.

We look forward to welcoming you and your guests to the heart of Europe!

Renate FORTE, Managing Director, Pegasus – The Welcoming Agencies

Dear Business Partners,

The Dr. Richard family has been involved in the tourism industry for more than 80 years, and as a third-generation owner, I am honoured to be able to take our organization into the future.

Our company started as a transportation company, and today, we are listed among the TOP 500 companies in Austria with a turnover of 227 million, counting a fleet of more than 900 buses, an own transfer services company with 80 limousine cars and minivans, as well as own sightseeing touring companies in Salzburg, Prague (shareholder) and Vienna (shareholder). In addition, we own and operate 35 travel agencies and business travel centres as franchisee partner of FCM Travel Solutions.

We look forward to welcoming you and your guests to Central and Eastern Europe!

Mag. Alexander RICHARD, Managing Director/Owner, COLUMBUS – Ihr Reisebüro, Member of Dr. Richard Group

About our Cover Picture - BLUE BLUES by Hundertwasser

Life in harmony with nature – This was the vision of the famous Austrian painter Friedensreich Hundertwasser. Hundertwasser was a forerunner in ecology and engaged for a more human architecture in harmony with nature. His masterpieces can be admired at the KUNST HAUS WIEN which houses a fabulous permanent Hundertwasser exhibition.
